

Zoran Tešić has provided professional and personal driving services for the past 8 years. He speaks English and is very well organized so you can be sure you would reach your destination on time.

He has pleasant appearance, neat and comfortable car and have no doubt he would put in extra effort in endeavoring to ensure that one's travel is both enjoyable and memorable.

I have known Zoran to be dedicated and hard-working person, he is trustworthy and reliable and I can therefore recommend him in providing the service he offers.
