

Zoran Tešić is the most reliable service provider in his branch you can find in Belgrade! It has been seven years since we started our cooperation with him, and not once did he let us down or our guests and partners. Once you agree something with Zoran, you stop thinking about that, knowing that he will provide you with his precise and reliable service.

Fosdalen doo (2008-2012) and SINTEF (2005-2008)
